# Fringe benefits tax overview

## **Fringe benefits tax**

### **Definition of a 'fringe benefit'**

What isn't a fringe benefit?

Identifying fringe benefits

### **Employees, contractors and associates**

Employees

Local Government representatives

Deceased employees

Employee or independent contractor?

Volunteers

Benefits provided to an associate

Related companies

Third party providers and arrangements

Arranger provisions and meal entertainment

### **Benefits provided 'in respect of employment'**

Shareholders and directors

Loans and payments as deemed dividends

Tests on employment

Benefits used for employment

FBT not payable in certain situations

### **Categories of employers**

Wholly exempt employers

Partially exempt employers

Benefits excluded from the capping rules

Rebatable employers

Summary of FBT concessions

### **Types of fringe benefits**

#### **Exemptions and concessions**

#### **Taxable value of fringe benefits**

#### **Reportable fringe benefits**

#### **FBT and other taxes**

FBT and income tax

FBT and Payroll tax

# Fringe Benefits Tax Administration

## **Outline of the FBT System**

### **FBT registration**

If an employer has no Tax File Number

### **FBT instalments and payments**

FBT instalments

Varying instalments

### **Lodgement of the FBT return**

### **FBT assessments**

### **Amendments**

### **Penalties and Tax Audits**

### **Objections and Reviews**

### **Record Keeping**

Relief from record keeping

Record keeping exemption for small business

Aggregate FBT amount

The loan year

Consequences of qualifying for the record keeping exemption arrangements

When FBT increases

Statutory documents

Record keeping and car benefits

Ceasing business during the year

Records

---

# Determining FBT liability

## **Determining the amount of FBT**

- Gross-up formulas
- Type 1 & Type 2 gross-up rate
- Input taxed suppliers
- Remuneration benefits
- Work benefits
- Fringe benefits taxable amount

## **Calculating FBT payable**

### **FBT & GST**

- Effect of FBT
- GST inclusive or exclusive
- GST and fringe benefits
- GST impact on other fringe benefits
- Golden rules of the interaction between FBT and GST

### **Employee contributions**

- Contributions - journal entry
- Excess contributions for a car fringe benefit
- Employer's income tax and amount of employee's payment or contributions
- Reimbursements
- FBT reimbursed by employees
- Cost of providing benefits
- FBT and Personal Services Income

### **Minor benefits**

- The minor benefits test
- Examples of minor benefits
- NTLG FBT Discussion - Clarity - minor benefits exemption

### **The 'otherwise deductible rule'**

- Joint benefits and the otherwise deductible rule

### **Exemptions & concessions**

#### **Excluded fringe benefits**

#### **Exempt and concessional tax organisations**

- Concessionally taxed employers
- What is a hospital?
- Employee of a hospital
- What is a health promotion charity?
- Public Benevolent Institutions
- Not-for-profit bodies
- Partly taxed non-profit organisations
- Rebatable organisations
- Rebatable employers - employee benefits of salary sacrificing

# Reportable Fringe Benefits

## **Payment summary reporting**

### **Calculating reportable fringe benefits amount**

Individual fringe benefits amount

Reportable fringe benefit total

If the employer aggregate fringe benefits do not exceed the exemption threshold

Calculating the employer's aggregate fringe benefits amount

### **Excluded fringe benefits**

NTLG FBT Sub-committee discussion - excluded fringe benefits pooled/shared cars

### **Consequences of reportable fringe benefits**

Assessing liability for the Medicare levy surcharge

Determining availability of the mature age worker tax offset

Determining entitlement to a deduction for personal superannuation contributions

Determining entitlement to a tax offset of up to \$540 for a spouse superannuation contribution

Determining entitlement to a superannuation co-contribution of up to \$1,500

Calculating a taxpayer's liability in respect of Higher Education Loan Program (HELP) repayment

Child support obligations

Income-tested government benefits

Adjusted taxable income

Reducing reportable fringe benefits

### **Shared fringe benefits**

### **Part year employment**

### **Amending payment summaries previously issued**

### **Appendix 1 - sample payment summary**

# Car fringe benefits

## **What is a car fringe benefit?**

What is a 'car'?

What is 'available for private use'?

What is 'private use'?

What is 'business premises'?

## **Exempt car benefits**

Unregistered cars

Cars supplied by personal services entities

Commercial vehicles - vehicles other than 'cars'

Dual cab vehicles

Modified cars

Alternative valuation method

NTLG FBT Discussion - FBT treatment of 'utility trucks'

## **Calculation of taxable value**

GST and valuing car fringe benefits

Exceptions to phase in of input tax credits

Determining which gross-up rate applies

## **Statutory formula method**

Base value of the car

Cost price of the car

Base value after four years

The statutory fraction

Annualised number of kilometres

Reduction in taxable value

Days available for private use

Employee contributions

Operating costs under the statutory formula method

Employee costs

Employer paid operating costs

Employee declaration

## **Operating cost method**

Operating costs

Business percentage

Private use

Log books

Log book year

Sample log book

Replacement cars

Employee contributions / recipient's payments

## **Leased vehicles**

Employer purchased vehicles

Novated leases

Full novations

Partial novations

Partial novations entered into on or before 17 June 1998

Partial novations entered into after 17 June 1998

    Non-luxury cars

    Luxury cars

Alternative view - partial novations

Alternative view - luxury cars

Fringe benefits tax

Transfer of novated lease to new employer

Car purchased at lower than market value

## **Employer and employee consequences of novations**

## **Calculating FBT liability**

# Debt waiver fringe benefits

## **What is a debt waiver fringe benefit?**

### **Taxable value**

### **Exemptions**

NTLG FBT Discussion - recipient's payment obligations that are waived

# Loan fringe benefits

## **What is a loan fringe benefit?**

What is a loan?

## **Benchmark interest rate**

## **Exempt loan fringe benefits**

Employer in the business of money lending

Deemed dividends

Employment-related expenses

Temporary advance to cover security deposits

## **Taxable value of loan fringe benefits**

## **Reduction in taxable value**

Otherwise deductible rule

Otherwise deductible rule for cars

## **Documentation**

## Expense payment fringe benefits

### **What is an expense payment fringe benefit?**

- Reimbursement or allowance?
- Common expense payment fringe benefits
- When is an expense payment fringe benefit received?

### **Taxable value**

- External benefits
- In-house benefits

### **Claiming input tax credits in respect of expense payment fringe benefits**

- Impact of GST

### **Reductions in taxable value**

- Otherwise deductible rule
- Otherwise deductible rule in relation to cars
- Cents per kilometre reimbursements
- Cents per kilometre car rates: 2009-10
- Other reductions in taxable value

### **Exempt expense payment fringe benefits**

- Work related items

### **Substantiation**

- Documentation
- Exceptions
- Travel diaries
- Exception from maintaining a travel diary
- Declarations
- Recurring fringe benefit declaration
- No private use declaration
- Exception from the requirement for a declaration

# Housing fringe benefits

## **What is a housing fringe benefit?**

A 'unit of accommodation'

Not a housing fringe benefit

## **Valuing housing fringe benefits**

### **Taxable value**

Housing fringe benefits provided in Australia in a non-remote area

Public-type accommodation in Australia not in a remote area

If employer provides accommodation to the public

Other residential accommodation not in a designated remote area

Live-in residential care workers

Housing fringe benefits provided outside Australia or in an external Territory

Summary - taxable values

### **Remote area housing benefits**

Additional tests to be satisfied

### **Reductions in taxable value**

Remote area housing rental

Residential fuel expenses

If in a 'remote area'

Temporary accommodation because of relocation for work purposes

### **Documentation**

### **Exemptions**

Remote area housing

Housing exemption for certain regional employers

## Living away from home fringe benefits

### **What is a living away from home allowance (LAFHA) fringe benefit?**

Usual place of residence

### **Who is considered to be living away from home?**

Oil and gas rigs

NTLG FBT discussion - living away from home determination

Living away from home versus relocation

Living away from home versus travelling

### **What is not a LAFHA?**

#### **Taxable value of LAFHA's**

LAFHA's and GST

Exempt accommodation component

Exempt food component

Reasonable food components

NTLG FBT discussion - employee's living away from home part of each week

#### **Documentation**

# Airline transport fringe benefits

## **What is an airline transport fringe benefit?**

### **Taxable value**

- Standby travel
- Air travel within Australia
- International air travel
- Non-standby travel
- Frequent flyers
- GST and taxable value

### **Otherwise deductible rule**

- Travel diaries

### **Concessions**

### **Documentation**

# Board fringe benefits

**What is a board fringe benefit?**

**What aren't board fringe benefits?**

**Taxable value of board fringe benefits**

Meals provided by third parties

Summary

Taxable value and GST

**Reductions**

**Exemptions**

# Entertainment fringe benefits

## **What is the provision of entertainment?**

Meal entertainment

## **Food & drink - is it entertainment?**

Typical situations where meal entertainment is provided

Entertaining employees and non-employees

## **Exemptions & Concessions**

Entertainment consumed on business premises

Minor fringe benefits

Otherwise deductible rule

## **Taxable value of meal entertainment**

Actual method

When to use the actual method

50/50 split method

When to use the 50/50 split method

12 week register method

# Car parking fringe benefits

## **What is a car parking fringe benefit?**

A "car"

What is a commercial parking station?

What is not a commercial parking station?

Car parking threshold

What are employer controlled premises?

What is near primary place of employment?

What is all day parking?

Representative fee

How do you calculate the 1 kilometre radius?

## **Exempt car parking benefits**

Exempt benefits - motor vehicle parking

Exempt employers

Car parking paid or reimbursed by the employer

Small business car parking exemption

Disabled car parking

## **Taxable value of car parking fringe benefits**

Determining the number of car parking benefits

The actual number of benefits

The statutory formula method

The 12-week register method

NTLG FBT Discussion - determining car parking spaces under statutory formula method

Determining the value of each space

The commercial car parking station method

The market value method

The average cost method

NTLG FBT Discussion - FBT and car parking

GST Impact

## **Substantiation**

Reporting systems

The exception or addition system

The register system

Declaration

Vacant car spaces

Additional records

---

# Property fringe benefits

## **What is a property fringe benefit?**

'Provide'

When is a property fringe benefit received?

Meal card arrangements

## **Taxable value**

Impact of GST

External fringe benefits

In-house fringe benefits

Where the employer (or associate) manufactures or produces the property

Where the property was purchased for resale and sold as part of the ordinary course of business by the employer (or associate)

Other in-house property fringe benefits

Goods supplied by a third party

## **Otherwise deductible rule**

Otherwise deductible rule in relation to cars

## **Reduction in taxable value**

In-house exemption threshold

Other reductions in taxable value

## **Exempt property benefits**

Property provided and consumed on employer's premises

Payments to worker entitlement funds

Employer contributions to employee's social club

Remote area - certain meals provided to employees in primary production

FBT NTLG Discussion - movie vouchers - property versus tax exempt body entertainment fringe benefits

## **Substantiation**

Travel diary

Employee declaration

Recurring fringe benefit declaration

# Residual fringe benefits

## **What is a residual fringe benefit?**

When is a residual fringe benefit received?

## **Types of residual fringe benefits**

### **Taxable value**

Impact of GST

External fringe benefits

In-house fringe benefits

Taxable value of motor vehicles other than cars

    Cents per kilometre method

    Alternative valuation method - operating cost method

    Residual benefit declaration - vehicles other than cars

### **Otherwise deductible rule**

Otherwise deductible rule and employee cars

### **Reductions in taxable value**

In-house exemption threshold

Other reductions in taxable value

### **Exempt residual benefits**

#### **Substantiation**

Travel diary

Employee declaration

Exceptions

Recurring fringe benefit declaration

# Reductions & exemptions in taxable value

## **Reductions in taxable value of fringe benefits**

### **Exempt fringe benefits**

## Salary sacrifice arrangements

### **What is salary sacrifice?**

What is an effective salary sacrifice arrangement?

What is an ineffective salary sacrifice arrangement?

### **Salary sacrifice and total employment cost**

What benefits can be salary sacrificed?

Issues to consider

Salary sacrificing exempt fringe benefits

Salary sacrificing concessional items

Salary sacrificing otherwise deductible fringe benefits

Salary sacrificing fully taxable fringe benefits

### **Benefits of salary sacrificing**

Benefits to the employer

Benefits to the employee

### **GST issues associated with salary sacrificing**

### **Superannuation issues associated with salary sacrificing**

### **Associate leases**

### **Salary sacrificing a second car**
