

Tax Updates (4 hours)

Presenter: TaxBanter (previously Kaplan Professional)

These tax updates focus on the practical issues faced by advisers, and will cover:

- ▷ Recent taxation cases (including AATA, Federal Court and High Court decisions) and how they will affect your day-to-day taxation and financial planning advice
- ▷ Recent tax rulings and determinations
- ▷ Recent changes to tax legislation including new Bills and ATO interpretations
- ▷ Guidelines for tax planning strategies that really work!
- ▷ A brief review of state and territory taxes

Attendees receive comprehensive indexed notes outlining new income tax legislation, tax rulings and cases and special income tax issues.
